## PRICING CONDITIONS

VALID FOR THE 2021/2022 SPECIAL SEASON

### PAYMENT METHODS

The following payment methods are accepted: Mastercard, Visa, American Express and Diners International, as well as bank transfers, Paypal (payment in US dollars) and Transbank (payment in Chilean pesos).

### CANCELLATIONS

The Company may cancel one or more voyages due to force majeure or acts of God, i.e., the sanitary measures imposed by the national authorities in the port of departure or landfall that prevent the departure or landfall and/or the restrictions imposed by the national or international authorities that restrict or prevent the access of passengers to the port of departure or carrying out maritime tourism voyages.

Furthermore, the Company may cancel, without any liability whatsoever, one or more voyages if circumstances arising from the effects of the COVID 19 pandemic on the maritime transportation of passengers and/or on the tourist cruise market prevent, discourage or affect in any way the feasibility of such voyages. This situation shall be deemed to include the circumstance that the trip in question does not have a sufficient number of passengers to justify its execution, either from the economic point of view or from the point of view of the necessary human or material resources, as well as any other factor that prevents, hinders or makes it more burdensome to have such resources available. The qualification of this circumstance shall correspond to the exclusive judgment of the Company, which shall neither express nor prove its origin, all of which is expressly accepted when the reservation is formulated.

The Company shall not be liable for any rescheduling of sailings or cancellations of the voyages it performs, when the conditions foreseen and/or in force at the beginning of the voyages determined by the sanitary emergency caused by the COVID 19 pandemic prevent sailing on the scheduled dates.

In the event of cancellation of the trip for any of the above mentioned reasons, the Company shall only be obliged to reimburse the value of the amount paid for the reservation, being deemed understood that any indemnity action for any reason, including consequential damage, loss of profit or moral damage, has been waived by the mere fact of making the reservation. The waiver shall apply in case of rescheduling of the voyage.

### COVID-19 RELATED CONDITIONS

Each passenger must be fully vaccinated with all COVID-19 vaccine doses necessary for their immunization, following current health

standards and with a type of vaccine accredited with the official certification issued by the health authority.

Each passenger, directly or through the travel agency that made the reservation, must send via email and at least 45 days in advance their vaccination certificate.

The Shipowner will communicate to the passenger, directly or through the respective travel agency, any doubts or observations regarding their official certification. The passenger must correct the corresponding doubts or objections. Notwithstanding the preceding, each passenger must show the corresponding official certificate without pending observations before sailing. Without a proper vaccination certificate, the passenger will not be able to board the ship.

Additionally, and before boarding, the Shipowner may require the passenger to perform a Covid-19 antigen test provided by the company for this purpose, which, if negative, will allow them to board the ship. In no case will this antigen test replace the vaccination certificate.

Likewise, the passenger's responsibility is to have all the necessary documentation required by the authorities to enter the Magallanes Region and the Chilean Antarctic, which must be shown to the Shipowner if needed.

### NOTE

The trips described in the itineraries are usually possible. Notwithstanding the foregoing, the Company reserves the right to alter, change or disregard part of this itinerary without prior notice, whether motivated by the welfare and safety of passengers, for the proper preservation of the environment or due to any extraordinary circumstance, fortuitous event or force majeure. Furthermore the departure or arrival of vessels may be subject to possible changes.

Thus, it is not possible to guarantee bird and animal sightings, since the precise location may change.
