A JOURNEY INTO THE **UNTOUCHED**

PREPARE YOURSELF FOR AN **ADVENTURE OF A LIFETIME**

The Australis Experience is based on our unique and privileged access to secluded places where only very few have been. We invite you to see and **FEEL** the majesty of centuries-old glaciers that are centuries old and virgin forests that inhabit the landscapes of this southernmost part of the earth.

From September to April we operate from the ports of **Punta Arenas in Chile** and **Ushuaia in Argentina**. Our itineraries are 4 nights one way and can be combined to make an 8 night return trip. We travel the mythical waters of the **Strait of Magellan** and the **Beagle Channel** until reaching the legendary **Cape Horn**. This is a unique journey, marked by the rich history and untamed nature of the end of the world.
